Personal Projects

LineUp
2021 / www.complete-your-lineup.herokuapp.com / GitHub repo
- A full-stack 2-sided marketplace app built with Ruby on Rails.
- Implemented integration of external services such as AWS S3, Stripe.
- Ensured efficient performance with eager loading in database queries.
- Deployed on Heroku via CI/CD pipeline.
- Developed and planned in agile environment.

Vibe
2021 / www.its-a-vibe.netlify.app / GitHub repo
- A front-end app made at a hackathon at Coder Academy.
- Built with pure JavaScript and HTML/CSS/SCSS.
- Created collaboratively in a team of developers.
- My contribution includes the concept of the app, API integration functionality, responsive design throughout.

Work Experience

Guest Service Agent
Pegasus Apart'Hotel / Jun 2019 - Mar 2020 / Melbourne, VIC
- Worked in a medium-sized team to achieve KPIs, sales targets and effectively accomplish daily tasks.
- Developed strategies to improve guests' stays in Melbourne.

Vocal Coach
Vox Singing Academy / Feb 2019 - Feb 2020 / Melbourne, VIC
- Worked meticulously with students' requests to identify problems and develop solutions for them to achieve their goals.

Guest Service Agent
Adara Hotel Group / Aug 2017 - Jun 2019 / Melbourne, VIC
- My first role on arrival to Australia.
- Through customer-centric approach, provided exceptional customer service for guests, and support to internal stakeholders.

Education Abroad Consultant and Travel Agent
Anima Project / Nov 2012 - Nov 2016 / Moscow, Russia
- Provided consulting on education abroad programmes for clients based on data and logic.
- Developed and implemented procedures for every organisational aspect of clients' trips.
